IMPORTANT INFORMATION

The number of visits is limited due to the particular location of the necropolis and the reduced space in the excavations.

The visit, conducted by our authorized guides, lasts about an hour and a half.

Each group consists of about 12 people who must be at least 15 years old.

AVIS

The visitors are reminded that they are not allowed to bring bulky objects into the excavations (suitcases, backpacks,...).

It is the responsibility of the visitors to drop off any bulky objects prior to coming to the Excavations.

The visit to the excavations ends near that place.

One should be dressed in a way befitting entrance to a holy place.

TO PICK UP YOUR TICKETS

The visitors must pay € 10,00 for person after the Office confirm the visit.

If not, the reservation will be cancelled and the places will be given to other visitors. We would like to remind you that the ticket deposit is not refundable for any reason.

In case you must cancel your visit, you are kindly asked to inform the Excavations Office immediately.

The Excavation Office reserves the right to modify the schedules of the visits in case the Basilica is closed or for other reasons. If the visit cannot be rescheduled, the Excavations Office may cancel the scheduled visit.
